The

I give you our school!
And all that it means:
Book, pencil, and rule,
Love, friendship and dreams.

Through all of the years
This symbol will shine,
Through laughter, through tears,
For youth, a bright sign.

A symbol of all
That's best in the world
We'll e'er heed her call—
I give you our school!

YEAR BOOK PUBLISHED BY THE STUDENT BODY OF FALLS CHURCH HIGH SCHOOL
FALLS CHURCH, VIRGINIA

WE HONOR OUR MOTHERS AND DADS

Oh, the comfort—the inexpressible comfort of feeling
safe with a person,
Having neither to weigh thoughts,
Nor measure words—but pouring them
All right out—just as they are—
Chaff and grain together—
Certain that a faithful hand will
Take them and sift them—
Keep what is worth keeping—
And with the breath of kindness
Blow the rest away.

—*Dinah M. Craik*

One of the greatest privileges we enjoy is one of which we are often unconscious, that of having two people who love and help us. When we need it, there is a hand to guide or a shoulder to help carry life's load, but greatest of all is an ever-flowing fountain of inspiration and encouragement.

In our parents we have the two people who are most interested in us. It is they who have watched through the years from babyhood to youth, guiding, training, counseling, teaching, helping, and above all, loving.

We deeply appreciate their sacrifices, their care, and the fact that they are always standing by. Our gratitude is often unexpressed or awkwardly phrased, but it is ever there.

To our Mothers and Dads, for all they've done, we, the class of '47, gratefully dedicate this volume of the JAGUAR.

MR. MACKALL RUST BRUIN, JR.

Principal

Mr. Bruin graduated from Baltimore City College in 1920. Afterwards, he attended Washington and Lee University where he received his Bachelor of Arts degree. In 1930 he obtained his Masters degree from the University of Virginia. In the summers of 1935 and 1939 he studied history and economics at Johns Hopkins University. In 1944 he went to summer school at William and Mary, where he studied education. His first school was at Big Island, Virginia, where he was teacher, coach and principal in both the high and elementary schools. His next assignment was in the same capacity at Boydton, Virginia. The following seven years he served as assistant headmaster and as teacher of history and science at the Franklin Day School at Baltimore and was on the faculty at the Baltimore College of Commerce, teaching sociology.

In 1942, Mr. Bruin held an interesting and responsible position with the War Department in charge of secret documents and also as an instructor in hydraulics.

It was in 1943 that Mr. Bruin came to Falls Church to fill the position of principal of the high school.

Remembering
ELIZABETH ANN
CLEM

June 24, 1930 - June 16, 1946

During her school career, Betty Clem gave generously of her time and efforts. In her first year she served as Secretary of the Freshman Class. While Betty was a sophomore, she was Assistant Business Manager of the *Jaguar Journal*. As a junior she was elected a charter member of the National Honor Society, Secretary of the Junior Class, and was a member of the Patrol, and a copy-reader on the *Jaguar Journal*. In the spring of 1946 the student body elected Betty Treasurer of the Student Council and Feature Editor of the *Jaguar Journal* for the coming year.

The Falls Church Chapter of the National Honor Society honored the memory of Betty this year by naming their chapter The Eta Alpha Kappa.

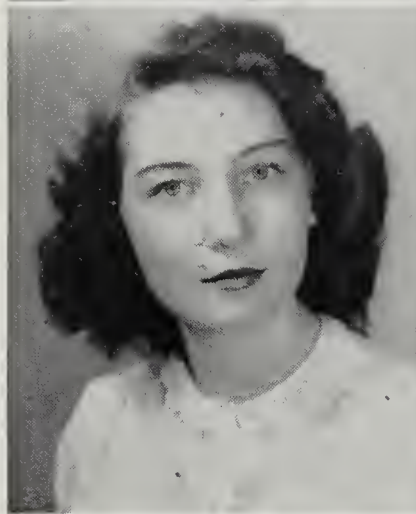

But it is not for her generosity in the giving of her talents that those who knew Betty remember her. She was genuinely interested in every person she met. All of her many friends will long remember her for her charm, sincerity, and kindness.

"Hail to the Jaguars"

The year 1946 marked the finest football squad Falls Church High has ever produced. Under Coach Gregory Wroniewicz's expert guidance, the Green and White annexed the Fairfax County Championship, were tabbed the "sleeper" high school team of the District area by the *Washington Post*, and were second in the D. C. area in point making, totaling 223 points to the opponents' 55.

The rugged and powerful Falls Church line was the pride of the local area. Sparked by Bob Thompsen, Mike Bruin, Daniel Hileman, Tunis Earman, Bob Meith, Roger Cole, Lee Barber and many others, they played the type of football which would be a credit to any high school team.

An outstanding backfield, consisting of Louie Trombo, Dick Thompsen, Robert Decker and Bill Reeves completed the '46 Jaguar eleven which will long be remembered for their outstanding record and fine example of sportsmanship which they have given to Falls Church High School.

VARSITY HIGHLIGHTS

SEPTEMBER 20—FALLS CHURCH 37, HERNDON 0

The Green and White eleven displayed mid-season form while trouncing Herndon in their 1946 season debut. Playing in a sea of mud, the Jaguars completely outclassed their opponents. Coach Wroniewicz cleared the bench in an effort to hold down the score.

SEPTEMBER 28—FALLS CHURCH 8, MT. VERNON 13

Rain, time, and Mt. Vernon combined to hand the Jaguars their first defeat. Behind 13-0 going into the last quarter, Falls Church rallied and scored 8 points in as many minutes. Marching 80 yards, the Green and White were within five yards of the winning touchdown as the game ended.

OCTOBER 4—FALLS CHURCH 20, RICHARD MONTGOMERY 0

Stopping Rockville's vaunted passing attack, the Jaguars won their first home game before 1,000 fans. Gaining over 300 yards by rushing and passing, the victors never allowed Richard Montgomery within scoring distance.

OCTOBER 11—FALLS CHURCH 46, SHERWOOD 0

Paced by Louis Trombo, who notched three touchdowns, the Green and White easily defeated Sherwood. The rugged Jaguar linemen played an outstanding game, opening large holes and holding the losers to minus 20 yards by rushing and passing.

OCTOBER 18—FALLS CHURCH 6, MONTGOMERY BLAIR 7

The Jaguars lost a heartbreaker by the margin of only one point. Blair scored on a fluke play just before the half ended, but Falls Church bounced back when Robert Decker dashed 55 yards to pay dirt with an intercepted pass. The try for extra point missed by scant inches.

OCTOBER 25—FALLS CHURCH 31, BETHESDA CHEVY CHASE 0

The Jaguars had a field day in gaining their fourth win over a scrappy Bethesda eleven. Five different backs crossed the double white markers as Falls Church notched 25 points in the last half to avenge last year's defeat.

NOVEMBER 2—FALLS CHURCH 18, CHARLES TOWN (W. VA.) 13

Coming from behind twice, the Green and White gridgers earned their second well fought contest over the tough West Virginia eleven. Charles Town scored on the first play of the game but couldn't match the Jaguars' all-around power.

NOVEMBER 9—FALLS CHURCH 20, CULPEPER 2

Dick Thompson tallied two six-pointers to lead the Jaguars to their sixth win of the season. Running and passing with ease behind a large and powerful line, the winners rolled up 12 first downs and 350 yards from scrimmage.

NOVEMBER 16—FALLS CHURCH 18, WOODWARD PREP 7

Outweighed, but not outfought, the Jaguars rolled up their seventh victory at the expense of Woodward Prep. Rolling up 12 points in the first quarter, the local team decisively outplayed their opponents and set their sights for the Thanksgiving Day game with Fairfax.

NOVEMBER 23—FALLS CHURCH 19, FAIRFAX 13

Mike Bruin, totaling all three touchdowns, led the Jaguars to their first pigskin victory over Fairfax, and also to the County Championship. Over 2,000 fans watched the potent Green and White squad battle to a 19-point lead in the traditional rivalry classic in a rough, well fought, and exciting game.

The nickname "gym-less wonders" is a fitting tribute to this year's Green and White quintet. Not only have they maintained an outstanding record at the Y. M. C. A., but the Jaguar five won the Fairfax County Basketball Tournament, defeating Mt. Vernon, Herndon, and Fairfax to gain the coveted trophy. Practicing only on a handmade outdoor court, Falls Church High's basketball team has presented the school a remarkable testimony, both on the court and in superb team work and clean sportsmanship.

ON THE DIAMOND

Spring of 1947 finds the Green and White baseball team preparing to take the field and battle through the toughest schedule they have ever had. The outlook for a successful season is bright with ten of last year's varsity back and more strength in every position. Headed by Coach Wroniewicz, the team will line up as follows: In the outfield, three regulars, Louie Trombo, Harold Daily, and Arthur Cockrell, are back and all three boast high batting averages. Dick Spencer, Floyd Sechrist, Bob Meith, Alvin Vetter, Roger Cole, and Douglas Purgett are guarding the base paths. The pitching staff is well rounded with Bill Gingell, Bill Loomis and Fred Abell drawing starting assignments. Behind the plate is Mike Bruin, who has been hitting the longest ball in spring training.

JAGUAR JOURNAL

The first edition of the *Jaguar Journal* was published in October, 1944. The 1947 graduating class felt the need for a school paper and they brought the matter to light in their sophomore English class. The staff was then chosen and, under the supervision of Miss Carmack, the sophomore English teacher at that time, the first edition of the *Jaguar Journal* went to press. This four-page mimeographed paper made a hit with the students of Jefferson High, so the class continued to publish the paper once every month.

The 1945 staff decided that there was enough money in reserve to have the paper printed, thus the small hand made paper became a printed four-page paper. At this time, the circulation was approximately 350. In 1946, the circulation increased to about 500.

The *Jaguar Journal* from its first edition has been published solely for the pupils. The paper offers a selection of articles of interest only to the students of Falls Church High School.

The *Jaguar Journal* wishes to meet the pupils as a friend and as a neighbor; it wishes to amuse, help and inform them. It gives one a chance to do creative work and become acquainted with journalistic work. It reflects not only the spirit but also the quality of Falls Church High.

The 1947-1948 staff has plans to streamline the *Jaguar Journal*. They expect to increase circulation, to publish the paper bi-weekly, and to add new columns.

The *Jaguar Journal* is of the students, by the students, and for the students of Falls Church High School.

THE ARROW

In the beginning, *The Arrow* was only a project of the school's journalism class, but it has grown to such an extent that *The Arrow* serves to inform the students and teachers of the activities of the school, to encourage honorable practices through editorials, and to generally entertain and enlighten everyone. The motto, "We shoot away at nothing" is almost a farce because the aims have been so specifically developed through a creative evolution.

THE ART CLUB

The Art Club is one of the most active organizations in the school. Friday afternoon before a school dance always found members of the Art Club busily at work, transforming the multi-purpose room into a gaily festooned dance hall, a spooky setting for a Hallowe'en party or a cabaret, as the occasion demanded. Upon any occasion, the Art Club came through with publicity in the form of attractive posters. The art exhibits throughout the year were noteworthy.

Waltz me around again, Willie,
Around and around and around,
The music is dreamy, it's peaches and creamy,
Oh! Don't let my feet touch the ground!

Frankly, the only aim of the dance club is to get together and have fun. A knowledge of dancing and a partner are the only qualifications for membership. For an hour every other week the members "swing and sway" to the recorded music of every known dance band in the land.

When the needle is down and the record starts around, the Sergeant-at-Arms swings off with the President. The stag line moves in. From then on it's like this: Esther Sliger with Johnny Wagner, Rose Ann Mills with Johnny Florance, Sonja Gersdorff with Basil Fowler, Alice Walters with David English, Mary Lou Grenfell with Freddy Grenfell, Mary Jo Lingley with Keister White, Ruth Tasker with Dick Thompson, Gwen Armstrong with Daniel Hileman, Mary Barr with Bruce Norman, Joy Woodward with Jim Powell, Pat Meith with Billy Lanier, Alden Reed with Ken Salzman, Barbara Brady with Clarence Stumpe, Marjorie Fisher with Richard Landess, Dorthea Bass with Billy Hileman, Margaret Demory with James Bennett, Barbara Altfather with Nathan Pringle, and Rosella Corker with Eddie Payne.

CIVIL AIR PATROL

FALLS CHURCH SQUADRON

The first meeting of the Falls Church Civil Air Patrol Squadron was held on March 18, 1946, in the Falls Church High School under the capable and efficient leadership of Captain Donald T. Speir. During the months of the summer vacation the squadron met in the Madison Elementary School and at the present time holds its meetings in the old American Legion building.

The Civil Air Patrol is an auxiliary of the A. A. F. and is therefore a semi-military, non-profit organization whose function is the training of the air-minded youth of today in the aviation sciences.

DRAMATICS CLUB

The Dramatics Club was formed early in the fall. It was open to all students who were interested in dramatics and who wanted to develop dramatic talents. One of the accomplishments was the preparation and presentation of three one-act plays given in May. They were "Dear Lady Be Brave", "The Pampered Darling", and "Sauce for the Goslings." Miss Cytha Rickhoff sponsored the club, giving the basic fundamentals. When Miss Rickhoff left Mrs. Deane Dyson assumed the sponsorship. She found some fine talent and we enjoyed working with her. The Dramatics Club anticipating a busier and more successful year next year.

Falls Church High has been at a great loss without a music teacher this year and those who were really interested in voice found this fact rather hard to bear, but due to some fine work among themselves, the Glee Club managed to appear now and then where chorals were called for and took care of the baccalaureate and commencement music.

The club had a system of planned meetings (developed rather late in the year after a series of trial and error methods) which proved to be quite satisfactory.

Department of sad farewells: Due to the overpowering presence of feminine frou-frou, we lost our manly presence, and Bill and Bob drifted away.

THE LIBRARY CLUB

The Library Club is concerned with making the facilities of the library more easily accessible to the students. The club members served as library assistants. Pat Lawrence, arriving on an early bus, opened the library, dusted the tables and helped at the circulation desk before school. Stanley Plaugher, Laura Ann Whitesell, Tanya Bruskin and Shirley Cannon were in charge of the circulation desk one period each day. Alice Knight read the reference shelf last period each day. Carol Geddes was responsible for the magazine shelf. Jane Rutherford, Robert Pennington and Claude Burress read shelves and assisted with the housekeeping. Theirs was a very definite contribution toward a more pleasant library.

The club's program of activities included work, recreation and entertainment.

The year 1947 brought the Eta Alpha Kappa Chapter of the National Honor Society thirteen valuable members who were eligible through scholarship, (E and G, 85% average) and outstanding credits in citizenship and leadership in the school. The following were approved for membership by the charter members, the guidance director and sponsor: Edward Andrus, Lee Barber, Barbara Brady, Ruth Christensen, Teunis Earman, Billy Lanier, Mary Morrison, Barbara Nalls, Elaine Speaker, Richard Spenser, Dick Thompsen, Richard Waterval, and Keister White.

The charter members are: Dorothy Broadus, Mary Jane Bruin, Sonja Gersdorff, Farnum Johnson, Dariel Knauss, Marilyn Miller, Marie Oogjen, Mary Fay Osborn, Nathan Pringle, Warren Salisbury, Anita Sauveur, Mary Elizabeth Schmoyer, Bob Thompsen.

The officers of the chapter were masters of ceremonies when Herndon High School organized a society to be affiliated with the National Chapter. Falls Church was glad to put these "feathers in her cap".

REMINI

On September 4, we gathered in, over six hundred strong, from play, the beaches, the mountains, vacationing. All roads led to Falls Church High. We greeted new faculty members. We smiled at the old heads. We apple polished when we saw one we knew we would inevitably have a class with. We tolerated eighth graders!

After meeting new and old friends, arranging schedules, and doing a half million other things, we settled down to the regular routine of work, work . . . work.

The first big dance of the year was the Hallowe'en dance, a huge success. All kinds of costumes were to be seen including those of many nationalities. Mrs. Hurt couldn't be recognized until she unmasked. She took the cake for originality. Wearing jeans, a bright red shirt, and a paper sack over her head, she placed first as the best masquerade. Billy Money received an award as the funniest girl.

The Green and White had many outstanding football victories this year, but the most exciting and crowd-drawing game of the year was that with Fairfax. The night before the game we burned Fairfax and they buried us; but they had to dig us up again. Directly preceding the game we paraded through town. We even had a police escort. Remember!

Thanksgiving brought the first holidays of the year and, also, the Sadie Hawkins Dance. This time the girls took over and loved it. If one watched carefully, he could tell who certain girls' heartbeats were.

The library on January 17 was the scene of a beautiful installation ceremony. Thirteen new members of the Falls Church Chapter of the National Honor Society were received.

After a great deal of deliberation, the Senior Play committee chose *Ever Since Eve*. The cast was as hard to select as was the play; however, a good cast was chosen. The play was presented January 31 and February 1.

SCING

February 14, Valentine's Day, was a busy one. In the morning five students took the Pepsi-Cola Scholarship examination. They appeared somewhat nervous but now seem to have completely recovered, especially Mary Fay Osborn, who had the good fortune of winning the four-year scholarship. That evening was the Sweetheart Dance. Beth Henry was crowned Sweetheart of F. C. H. C. She was very lovely as was her entire court.

The best holidays and most unexpected ones of the year came in February when the snow really blanketed the ground. There was coasting, snowballing, and just plain plowing through in order to get to one's destination.

We couldn't forget about the basketball games, since we won the tournament. We can well be proud of our basketball players. In the beginning the outlook was not too hopeful; however, they really came through and fought hard.

The second annual Honor Society dance was held March 21, at the National Airport. The number of people present made it a very nice dance. Balloons were floating around but some demons present popped most of them.

We have already said that the Senior Play was wonderful. The Juniors chose *Campus Quarantine*. Sounds good, doesn't it? We can't say here just how good it was for as we go to press the cast is still working hard for an excellent performance.

Oh, yes, the Prom, we can only anticipate that—the big event of the year! The Seniors all feel confident the Juniors are planning an exceptionally wonderful dance.

Graduation day for the Seniors is coming. On June 11, we will say good bye. Looking back on it all, we'll say, "It was good while it lasted."

THE JAGUAR

It's April 11, it's the DEADLINE. Everything must be in the bag by 3:50. "Go to Mr. Porter for that softball picture." "Mary Elizabeth, is the copy in on 'Reminiscing'?" "Barbara, have you typed that copy?" "Farnum, there are two pages of ads to be set up." "Sonja says she has an ad for that last quarter page!"

Three-fifty and we've done it! We've met the DEADLINE. It's weird to recall all the things that can happen to the best laid schemes of a year book staff. Remember the agony of getting the boys to school in "ties" for pictures, and how it rained for the baseball picture? Have those softball uniforms come which the girls waited for so long before finally posing in jeans? Then there's the copy on ads to get, even after you've solicited the ad! Nothing easy about that!

We've worked and worried, and loafed and laughed, but we hope we've delivered the goods.

So, in a happy mood, we say "thanks" to certain people for their service and cooperation. The JAGUAR 1947 will be typical of various phases of school because the organizations which make up the school sought representation at the sacrifice of their treasurers' last dime! The students who have subscribed and the merchants who have advertised have made it possible financially. The willingness of faculty members to tolerate non-attendance in classes for year book duties enabled the work to go forward. These things and hard work have made THE JAGUAR 1947, an actuality.

Now, we give it to you. Take it away! We're going to celebrate.
